

Peachtree Golf Club, located in Atlanta, Georgia, is ranked No. 30 on Golf Digest's America's 100 Greatest Golf Courses of 2019-20. The course was designed by Bobby Jones and Robert Trent Jones and opened in 1948.

I would like to thank Lez Marwick for making APCD From Start To Finish, and for providing most of the textures associated with this course, (I have changed the colouring.) The trees come from unknown courses that I have imported. I would also like to thank Daniel for the trees/bushes I used.

Additional thanks go to Pete, Jimbo, Adelaide and Migolfer for sharing their thoughts on the course. An additional thank you to Adelaide for reviewing the pin locations and modifying some to enhance the playability

Hole 16 does not have the fourth tee as the distance is too short, according to APCD. I have used Adelaide's suggestion and added these tees to the third tee.

I hope you enjoy playing the course.
