

Waialae Country Club

Thanks for taking the time to download this course. I hope you enjoy your round at Waialae and are able to post some low scores on the leaderboard.

There are only 4 pins planted, from the 2006 Sony Open

0 = Thursday

1 = Friday

2 = Saturday

3 = Sunday

Many things still to finish after watching the tourney next weekend.

Final adjustments to the greens

Planting

Finish 3d objects

Thanks to AJ, Lindsay, LeWaw, Eddie, Dex, and Hewi for the various textures and 2d on the course

Also thanks to Martin, Kevin, and Todd for looking at the course

Once again hope you enjoy your round. I feel the course plays very well in Links and hopefully everyone will appreciate this great classic golf course by Seth Raynor.

Regards

Tim
