

VICTORIA NATIONAL

Victoria National was designed by Tom Fazio and built in 1998 on an abandoned coal mine in Newburgh, Indiana, United States of America. The course is a private course which is part of Dormie Network who have five other courses in their portfolio.

The course is par 72 with the black tees stretching 7242 yards.

There are two anomalies between the official scorecard on the Victoria National website and this APCD rendition:

Hole	Tee	Official Scorecard	APCD Rendition
6	Blue	432	445
6	Red	272	268

The greens have been built using the GolfLogix green book.

Amende honorable

Only the playing area and it's immediate panorama have been included in this rendition of the course. I have fully utilised my draughtsman's license regarding the amount of detail that is included in all the structures.
