

CROOKED STICK GOLF CLUB – Carmel, Indiana, USA

Crooked Stick is a private golf club and was designed by Alice and Pete Dye, in 1964. The course plays to 7516 yards from the back tees and has a par of 72.

The APCD rendition only incorporates the playing area and it's immediate panorama. I have fully utilised my draughtsman's license regarding the amount of detail that is included in all the structures.
